

Attention Expectant Mothers

The Black Coalition for Safe Motherhood (BCFSM) and Capella University doctoral candidate Lisa Cohn invite volunteers to participate in an impact study of the BCFSM 90-minute interactive virtual ACTT educational workshop: Ask Questions Until You Understand the Answers, Claim Your Space, Trust Your Body, and Tell Your Story. This study is part of the researcher's doctoral education program.

What's involved

- ✓ Attend a virtual 90-minute ACTT workshop on Zoom.
- ✓ Complete 3 short online surveys after registration before the workshop: *Basic Information Form*, *BCFSM survey*, and *Mothers on Respect (MOR) survey*.
- ✓ Complete the short BCFSM online survey again right after the workshop.
- ✓ Complete 2 short online surveys, 6-8 weeks after the workshop, the MOR survey and BCFSM survey one last time, once you have had at least one more OB visit, or after giving birth, to wrap up the study.

RECEIVE \$100 AT THE END OF THE STUDY AS A THANK-YOU FOR YOUR TIME.

Who Can Participate?

- ♥ Women who identify as Black, age 18-45, who wish to attend an ACTT workshop.
- ♥ Currently pregnant (14-26 weeks gestation) and receiving prenatal care
- ♥ Able to read and write in English

Why Join?

- ✓ You may be interested in attending an ACTT workshop, and your participation will help advance Black maternal health research.
- ✓ Your privacy is 100% protected—your personal information will be kept strictly confidential and will not be shared with your healthcare providers or anyone.
- ✓ Participation is entirely voluntary, and you can withdraw at any time.

📞 **Total Time Commitment: Approximately 2.5 hours, over 6-8 weeks.**

📍 **Questions? Lisa Cohn, M.S., lcohn@capellauniversity.edu, 914-552-0426**

Ready to Join? ... Contact Lisa for a brief call to complete the screening.
