Seeking reproductive health, mental health, and perinatal health advocates to participate in dissertation research

Who

Reproductive health, mental health, and perinatal health advocates aged 18 or older in the United States

Please scan the QR code or visit LINK to complete a short participant screener

What

A 90-minute virtual One-to-One interview, Small Group Discussion session, or asynchronous informational video and free-answer survey about a new advanced directive template for people who can become pregnant and experience a mental health emergency

Why

An opportunity to share your knowledge and experience while participating in research that may improve access to and outcomes in reproductive healthcare, mental healthcare, and perinatal healthcare
